theVIBE.ca now provides Arts Partners with a login and password for uploading their free..

listings directly to the [Upcoming Events](#) pages. In the past few weeks Many "Arts Partners" of thevibeinsaugeenshores.ca (which includes Southampton, Port Elgin and Sauble Beach Ontario) have been registered to thevibe.ca

The registration permits the "Arts Partners" to login to the site and use the Free Listings panel for "theVIBE.ca" to help

promote their local arts events on the [Upcoming Events](#) page of thevibeinsaugeenshores.ca site. Free Listings are being posted to the Upcoming Events pages regularly by partners. Each listing provides visitors to the site with a better understanding of "theVibe" in our community's Arts scene.

Some of the partners have chosen to purchase paid ads to

highlight their event(s) further by placing their events on either the Art&Culture, Music, Theatre&Dance or Dining pages of theVibe.ca By doing so the partners can provide posters, audio and video enhancements

to their event and gives them an opportunity to enhance their listings on the Upcoming Events pages.
